Dear Honorable Judge Keith Ellison,

I'm Writing You To Inform You About A  
Dissappointing Situation About A Case That Came  
Across Your Courtroom Involving Me. Attached Is  
A Affidavit Written By The Mother Of My Daughter  
Swearing That She Lied To Police Claiming I Assaulted  
Her Specifically To Put Me In Prison And Swearing That  
I NEVER Physically Attacked Her. I was released from  
Federal Custody At The End Of January With The Hopes  
That Me And My Daughters Mother Could Raise Our  
Daughter Together And Realized She Had Been Addicted  
To Hard Drugs Such As Opiods & Cocaine So I Asked Her  
To Leave My Home Which She Did With Multiple Witnesses  
Present. No Fighting Of Any Sort Took Place. For About Two  
Months She Harassed And Defamed My Character On Social  
Media Daily Which I Never Responded. After That Time  
Passed She Noticed That I Still Been Working And About  
To Be Blessed With A Multi-Million Dollar Deal From Warner  
Bros. Records And Was In A New Relationship With A Woman  
Whom ~~she~~ I'd Taken Pictures With Along With Our  
Children Together. She Went On Another Social Media  
Rant Raging To The Police Station ~~saying~~ Falsely  
Claiming I Had Assaulted Her Months Prior And Also  
Repeated Called The Federal Probation Office With

The Same False Claims. Me And My Entire Family Voluntarily Went To The Police Station Along With Witnesses To Prove These Claims False. She Also Had Been Harassing My Girlfriend At The Time By Repeatedly Calling ~~the~~ Her Job At The Hospital She Worked At, With The Intentions of Getting Her Fired. For Months Now Since That Situation I Have Been Raising My Daughter As A Single Parent And Working Hard With Warner Bros. Progressing To Make A Good Living For Myself. The Mother Of My Daughter Reached Out To Me And Apologized For Her Outrageous Behavior And Claimed She Had Been Clean From Drugs For A Short While. Out Of Nowhere Within The Last Two Weeks I Find Out In August That Charges Were Picked Up From False Claims Made Back In The February Event. The Mother Of My Child Has Told The Truth And Came Clean About The False Statements She Made To Police In Front Of The Judge, District Attorney, And The Entire Harris County Courtroom Understanding What She Did Was A Crime. She Has Also Written A Full Affidavit Recanting All Her Statements And Informed The Court She Lied And Was On Drugs At The Time. Your Honor I'm Doing The Best I Can To Make A Living As A Single Father And Raise My Daughter. Please Allow Me The Chance To Continue Being A Positive Productive Member Of My Community And Continue Proving My Rehabilitation. Thank You Your Honor

I am of sound mind and capable of making this sworn statement. I have personal knowledge of the facts written in this statement. I understand that if I lie in this statement I may be held criminally responsible. This statement is true.

This is a complete admission that I, Alexia Valdez, made a false statement and a falsely accused Warren Brown to have him put in prison about an incident that occurred February 18, 2024. I lied on Warren Brown to deliberately and wrongfully have him put in prison. Warren Brown never, not once physically attacked me or touched me at all. All Warren Brown did was ask me to leave his home. His Uncle was a witness to the entire incident. Everything I said to the police when I made the report was false, and a complete lie, and I take full responsibility for my actions. The reason I lied is because I was hurt and on drugs at the time, knowing he did not want to be in a relationship with me. Warren Brown had just come home from serving 5 years in prison and did not want to be involved in any negative or bad activity, being in fear

of going back to prison, because the lifestyle I was living was not appropriate for him to be around and that is the reason he asked me to leave to protect himself is the reason he asked me to leave his home. The pictures I presented were from a car accident and a fight I previously just had recently around the time with Ewendolyn May, whom I called the police on to report prior to the incident. I lied about pertaining to Warren Brown. I completely understand what I did was a crime by lying and falsely accusing Warren Brown of attacking me and I take full responsibility for my actions. An innocent man's freedom is going to be taken away because of my actions. Warren Brown is a full time father, who works hard, and has done nothing but help and bless our daughter by co-parenting and getting his life together. I am wrong and ready to suffer the consequences for my actions.
